Dear Sir/madam,

Greetings from the Swedish Institute for Human Rights.

Many thanks for your email and the offer to provide input to your annual report. I regret to inform you that we have not yet worked on the issue of conscientious objectors to military service. Accordingly, we do not have any information, statistics or recommendations available and are therefore not in a position to contribute to your annual report.

We wish you all the best in finalizing your annual report and look forward to reading it when it has been published.

Kind regards,

Andreas Ljungholm
